

What is epraise?

Our online reward system allows staff, students and parents to monitor the rewards given out by staff in a range of subjects and for a number of reasons.

In the classroom, excellence, endeavour, attitude to learning, SMSC, challenge, outstanding homework, literacy and numeracy are all examples of categories your child can receive a 'praise point' for.

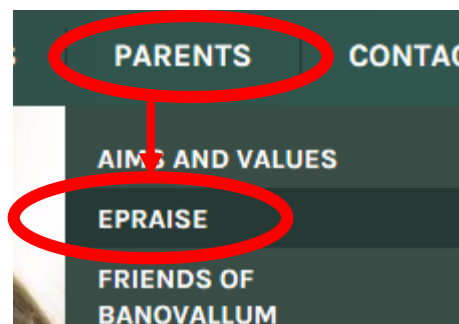

Students can collect praise points and spend them in our shop situated in the library. They can buy resources for school such as stationery, sports equipment, canteen rewards and many more with 45 items in total currently available.

Students may also choose to transfer their points to donate to a house charity.

When logged in, each student can see which subject and teacher has rewarded them and what category they received it in. They can see how they are doing per student, year group and house. They also have a handy access to their timetable for a quick reference. As a parent, you can also see this information and set up alerts to your phone when your child receives points in school!

Access is via our school website

PARENTS>EPRAISE:

## Registering as an epraise parent:-

Having followed the 'parents-epraise' link on the school site, enter the email address you have registered with us for your child's information.\*

\*If you have not provided an email or can't remember, you will need to request this by emailing [epraise@banovallumschool.co.uk](mailto:epraise@banovallumschool.co.uk) and providing your child's name and your contact email.

On the site, fill in the following:

The image shows a screenshot of the epraise website's registration form. The form is set against a blue background with a dark blue header. The header contains navigation links: Home, Schools, Parents (highlighted), and Login. The form itself has three input fields: an 'Email' field containing 'youremail@home.com', a 'Password' field, and a 'Login / Register' button. Three yellow callout boxes with arrows point to these elements: '1. Email here' points to the email field, '2. Leave password blank' points to the password field, and '3. Press here' points to the 'Login / Register' button. Below the form, there is a note: 'Leave the password blank if you have not yet registered or have forgotten your password.'

You will receive an email to the email account you provided. Follow the link from there and you will be asked to set a password.

If you forget your password in future, you can just fill in your email and leave the password box blank and repeat the process of registry.

**Point of contact is Mr T.Bollan or email**
