Aim, Aspire, Achieve

21st September 2018

Dear Parent/Carer,

I am writing to inform you of an Art pack that will be available to purchase for students studying both KS3 and GCSE Art. You may wish to buy materials from local shops however, we are able to get Art packs for a very competitive price and can be assured of high quality materials that we make no profit on. Although we do provide materials, students often prefer to use their own paints, pencils etc. In response to this we are offering affordable and appropriate packs that students may purchase.
