

Fundraising for Morocco 2020

The following websites may prove to be quite useful in organising for your fundraising calendar and events. Planning makes the job easier! This is not a guide for parents, but for students – it is the student who needs to learn how to do the fundraising; organising, money taking, publishing information, promoting, etc.

1. <https://www.outlookexpeditions.com/expeditions/Fundraising> the link to the outlook expedition that should be the starting point for fundraising.
2. <https://www.outlookexpeditions.com/expeditions/Fundraising/fundraising-pack> link for the fundraising pack – free with posters and helpful booklets. If you haven't got one yet – get on with it!

4. <https://www.outlookexpeditions.com/expeditions/Fundraising/easyfundraising> it's free to set up, people who buy via the internet don't pay anything extra, and you get cashback from whatever they buy online. You'll need an account to put this into, and there is also a helpful document on the schools website page for morocco 2020.
